

Information about pre-school, letter to parents

Hey!

You are receiving this letter because your child has the right to attend pre-school. At pre-school, children get to learn through play, in a group together with other children and adults. Pre-school is a fun, safe, educational place to be!

Starting in autumn of the year your child turns three, you can enroll your child in pre-school for 15 hours a week, free of charge.

Applying for a place

You can read more about pre-school and how to apply for a place on Trelleborg's website www.trelleborg.se/forskola.

More information

Do you need more information? Feel free to send an e-mail to forskola@trelleborg.se.
